Synopsis

[This project consists of repairing the damaged sections of the East and West Jetties at Port Hueneme \(approximate number of metric tons of rock for the repair is 40,000\). The project is located at the entrance of Port Hueneme, Ventura County, California. It is about 65 miles northwest of the Los Angeles Harbor and 1 mile southeast of Channel Islands Harbor. Both the East and West Jetties have been damaged by past storm events. The East Jetty was damaged more severely than the West Jetty. Approximately 1/3 of the structure on the seaward side requires repair as well as the head section. All responsible sources may submit an offer. Small and disadvantaged firms are encouraged to participate as Prime Contractors or as members of joint ventures with other small businesses. The Los Angeles District subcontracting goals are specific percentages of the contractor's total planned subcontract amount. The goals are as follows: 62% with small business, 10% with small disadvantaged business, and 5% with woman-owned small business. Small and disadvantaged firms are encouraged to participate as Prime Contractors or as members of joint ventures with other small businesses. In addition, all interested contractors are reminded that the successful contractor will be expected to place subcontracts to the maximum practicable extent with small and disadvantaged firms in accordance with the provisions of Public Law 95-507. This project will provide plans and specs using CD-ROM ONLY. Please Fax your request to \(213\) 452-4187, ATTN: Plan Room.](#)
